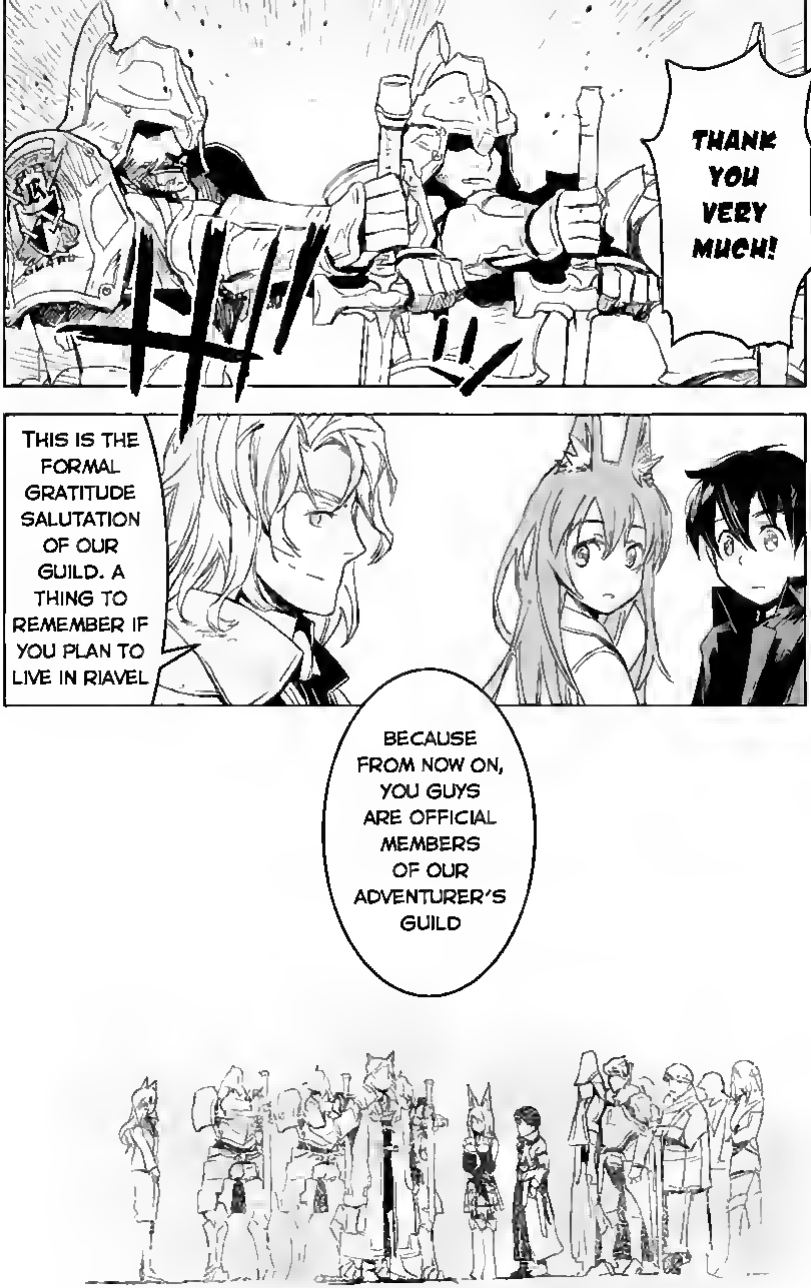
WE ALSO APOLOGIZE FOR OUR DISRESPECTFUL BEHAVIORS TOWARD THE FOX TRIBE
FURTHERMORE, IT WAS THANKS TO YOU THAT OUR FRIENDS' LIVES WERE SAVED
WE GREATLY APPRECIATE IT...



THANK YOU VERY MUCH!
THIS IS THE FORMAL GRATITUDE SALUTATION OF OUR GUILD. A THING TO REMEMBER IF YOU PLAN TO LIVE IN RIAVEL
BECAUSE FROM NOW ON, YOU GUYS ARE OFFICIAL MEMBERS OF OUR ADVENTURER'S GUILD

Holy Kingdom Levantiria
The Grand Catheral of the Seven
WHAT...? OUR EXPERIMENTAL CHIMERABITE WAS DEFEATED...?
I HEARD THAT IT WAS STILL IN RESEARCH?
A MUTATED FUSION BEAST WAS SENT TO ATTACK A TOWN FULL OF THOSE BEASTMEN

The place where the Chimera was defeated is located at the Guild's entrance examination
Sir
According to our intel, it was Riavel adventurer's guild who interfered with our work
It can't be. How can they possibly defeat our Chimera?
Entrance examination...?
That childish playground they made to find new recruits?
There was a rumour that caught my attention
It may sound ridiculous but...
Are you sure Harmony's spy confirmed this?

What did you say...?
In the guild's newly recruits, someone saw a young boy with black eyes and black hair
That devilish child is still alive...
Was it that cursed Hayel child from 5 years ago?
But you pompous people ignored my request, and this is what happens!!!
In fear of future trouble, I told you to catch him at all cost
ナルキ

Even though King Yustilia is just a lowly beastman ...
He controls some of the most heroic warrior tribes and formidable general
He's not the type to ignore provocations
Emerald Support – Indigo
If the fully-armored church knights barge in the borders of a neighboring country
It will cause some unnecessary disturbances with the others
Cerulean Water – Burao
Calm down, Crimson Caption. This is just an unverified rumour
Golden Thunder – Gerub

Besides, during this time, if the Emperor finds out about the church's excessive interference, things will get complicated
Wise King Nogias will definitely put out some measures to restrain power from the Seven Rulers of the Church
Orange Earth ~ Oranju
If the rumors about that weird kid with the Dark Book is true, I suspect It was Yustilia's work
To prevent future complications, we have to confirm this
Green Gust ~ Gryuun
To be able to live in that large forest Karikyura for 5 years without us having any intel about it!
We must find out who's involved in this
White Cardinal ~ Vais

Please allow me to execute this quest
I will inspect the Riavel adventurer's guild and confirm the information about that unholy child
The "seed" was planted into him, now all we have to do is wait for the harvest result
Violet Alchemist – Violet
I have something to report
THUMP THUMP
Now it's time to decide who will go to Riavel, right?
But we're so busy with training, there's no time for such rubbish matter
Scarlet Flame – Rord

First the Chimera case, then the alchemic results that Violet brought
I will accept it, this is a chance for you to relieve your hatred
You honor me with your words...!
I will dedicate my whole body for the cleansing of the land
This is an important time, so there's no room for carelessness, have trust in your faith

Those foul creatures will all be thrown into the burning depth of our justice flame...
Yes
Those barbaric demi-humans, and that heretic child...
And cleanse this world into unity!
Pope Iris's will shall shine our path!
